Description

A medium-sized, flat-topped desk with pull-out drawers, in the Louis XVI style, dating from the mid-20th century, made of mahogany and mahogany veneer. It opens with two dovetailed drawers that lock with a key. The brown leather top has a beautiful patina and is slightly darker than the drawers, which have seen less use. It rests on four fluted legs ending in bronze sabots. Brass trim runs around the edges. Delivery is possible; please contact us.
