Description

Superb Scandinavian dining table by Niels Otto Moller, with its original markings and number. Made of rosewood, it features a retractable extension leaf concealed beneath the tabletop, thanks to an ingenious (and functional) mechanism. An elegant model with tapered legs that integrate seamlessly into the apron. The legs are detachable for easy transport: one tabletop and four legs. In very good condition, original varnish (a few micro-scratches, almost invisible, see photo). Circa 1962. Dimensions of the tabletop with its extension: 174 x 122 cm
