Description

A very beautiful wrought iron wall console in a green-grey color with gold highlights. It rests on two strongly curved legs, connected by a gracefully curved stretcher. The ironwork features lovely curves, counter-curves, scrolls, and foliage in cut sheet metal. It is topped with a beautiful veined marble slab, its edge adorned with a charming corbel-like molding. A very fine handcrafted piece from the 1950s-1960s.

Dimensions: total height 88 cm, frame height 85 cm, marble thickness 3 cm, marble depth at center 34.5 cm, iron frame depth at center 31.5 cm, marble width 80.5 cm, iron frame width 74.5 cm. Please contact us for shipping costs.
