

## 18th-century Belgian Oak China Cabinet

2 760 EUR

Period : 18th century

Condition : Bon état

Material : Oak

Length : 169

Height : 238

Depth : 40

### Description

Solid oak sideboard/buffet. Originating from the Liège region of Belgium. Made in the 18th century. The sideboard is in good overall condition. Signs of wear consistent with its age. The doors close properly. Sturdy construction. Only two panes of glass are cracked. The price includes replacement with antique glass. Delivery will therefore take a little longer than usual. Dimensions: 234cm H x 169cm W x 40cm D
