NOTE: All our watches are serviced by our watchmakers to give them a second life and restore them to the best possible condition.

Nevertheless, these watches remain pre-owned and may show some signs of wear. Furthermore, when necessary, the dials are refurbished by a master craftsman. It is also possible that the dials may have been changed in the past by the manufacturers themselves (by Cartier, Rolex, etc. after-sales service) as part of the refurbishment of your watch. We guarantee the authenticity of all our watches. All warranties begin on the date the watch leaves our workshop. As this timepiece is pre-owned, no water resistance guarantee will be provided. We are, of course, at your service to provide you with the best possible information regarding the condition of these watches.

RETURN POLICY: Due to numerous abuses, we clarify that returns are accepted within 14 days, provided the item is returned in the same condition as when it was sold. The return is void and therefore invalid once the watch has been worn or damaged in any way (impact, broken or lost crystal, missing screws or any other part, water damage, etc.). Ref\_1083
