Description

"Dancer and 3 Little Rats," acrylic painting on canvas, dated 1988 and signed Christophe, for Christophe Boulay, painter and sculptor born in 1961. This style can be described as naive expressionist. The central figure and raised hand symbolize creation and protection, the non-erotic nudity represents nature and innocence, the sun represents vital energy, and the columns represent culture and civilization. The subject matter and the carefully crafted colors create a very fresh and joyful whole. - On display in our 400 m² gallery in Lille, open Wednesday to Friday afternoons or by appointment.
