Description

Double Butcher's Block in End-Grain Wood / Cutting Table Dimensions: H 85 x W 152 x D 76 cm Authentic double butcher's block in end-grain wood, with a strong character, ideal as a console, central island, or preparation table in an industrial, loft, or country chic interior.

Description Thick end-grain wood top, heavily marked by time and use: natural patina, tool storage, age cracks, and wear consistent with its history. Robust structure with straight legs and traditional joinery. Two drawers in the front with metal handles. Original metal corner reinforcements. Lower crossbar ensuring excellent stability. The top has an irregular grain and a work surface typical of antique cutting tables, offering a raw and authentic aesthetic highly sought after in interior design. Condition
