purposes is strictly prohibited and may result in legal action. NOTE: All our watches are serviced by our watchmakers to give them a second life and restore them to the best possible condition. Nevertheless, these watches are pre-owned and may show some signs of wear. Furthermore, when necessary, the dials are restored by a master craftsman. It is also possible that the dials may have been changed in the past by the manufacturers themselves (by Cartier, Rolex, etc. after-sales service) as part of the refurbishment of your watch. We guarantee the authenticity of all our watches. All warranties begin on the date the watch leaves our workshop. As this timepiece is pre-owned, no water resistance guarantee is provided. We are, of course, at your service to provide you with the best possible information regarding the condition of these watches.
