

Art Deco Sculpture By Pierre Le Faguays - The Water Carriers

8 500 EUR

Signature : Pierre Le Faguays

Period : 20th century

Condition : Très bon état

Width : 29.21 cm

Height : 40 cm

Depth : 8.89

Description

A rare Art Deco sculpture-lighting piece by Pierre Le Faguays depicting two draped young women, standing symmetrically, each holding a large alabaster basin adorned with a geometric checkerboard frieze. The elongated figures in patinated metal, with their finely pleated dresses, rise from a base of Portoro marble veined with black and ochre, lending the whole a slender silhouette and great decorative elegance.
