Description

Sorry, no export airmail for this, Dimensions: Approximately 80cm x 29cm x 24cm. Weight: 3.2kg. Long wooden and wicker basket, covered by black moleskin, providing a well-ventilated shelter for 6 passenger pigeons during rail transport. Each small compartment is lined with soft cardboard to protect birds and closes with a pretty braided wire latch. The craftsman's mark is clearly visible, stamped brass, under carrying handle. A beautiful object, circa 1950, in relatively good condition. A small hole in one wire mesh panels, small wormholes underneath, normal wear and tear. Available for immediate purchase, payable by credit card or PayPal. - eclectic - We are not experts, but we have been in the business for over 50 years. Hassle-free refund in case of disappointment.
