

Pair Of Guéridons

7 800 EUR

Signature : Jansen attribue à

Period : 19th century

Condition : Très bon état

Material : Bronze

Diameter : 66

Height : 71,5

Description

Pair of high-quality bronze side tables with two patinas (patinated and gilded), constructed on oak cores. The bronzes are soiled, revealing a beautiful gilding underneath. Late 19th-century work from a renowned firm such as Jansen or a Parisian bronze maker. In very good condition; the marble tops have a beautiful patina that only time can bestow.
