Description

A Superb Quality and Highly Impressive Early 19th Century William IV Period Mahogany Cheval Dressing Mirror, Attributed to GillowsThis outstanding country house horse mirror is crafted from richly figured, solid Cuban mahogany and retains its original mirror plate. The cross grain molded frame is supported between exceptionally elegant turned and spiral-reeded uprights with solid reeded intersections, all displaying the finest quality cabinetmaking of the period.The mirror is flanked by a pair of original ormolu swinging candle arms, adding both functionality and decorative refinement. It stands on four sweeping saber splayed legs, united by double turned stretchers and terminating in the original finely cast and carved brass castors. To the reverse, the mirror

retains its original mahogany paneled back, a feature typical of Gillows workshop and indicative of its superior construction. The whole piece is in excellent, largely original condition, boasting a deep, rich patina that has developed beautifully over time and speaks to both its quality and careful preservation.This William IV horse mirror is not only a superb example of early 19th century English craftsmanship, but also a statement piece of classic design, ideal for a refined bedroom, dressing room, or elegant interior.
