

## Huge Plaster Fresco Sarabande Of Putti

2 800 EUR

Period : 20th century

Condition : Bon état

### Description

An impressive and beautiful plaster cast of a sarabande of putti. The sculpture is of very high quality, and the children are very expressive. Its size makes it an exceptional decorative object, measuring 230 cm long by 90 cm high. There is no signature, but it is undoubtedly a cast made from an exceptional work. Two hooks on the back allow it to be hung. Two people are needed to handle it. There are a few very small losses to the drapery in the center between the two middle putti, and some minor wear that does not detract from the visual effect.
