Description

A remarkable 19th-century Italian chest in ebonized wood, adorned with marble plaques and gilt bronze mounts. The architectural form is enhanced by inlaid marble plaques that create a refined contrast with the blackened wood. The decorative bronze mounts accentuate the structure, adding a sculptural touch and an impression of grandeur typical of Italian decorative arts of the period. The proportions and materials reflect the influence of the Neo-Renaissance aesthetic, combining noble materials with meticulous craftsmanship. Both functional and highly decorative, this chest will bring a touch of elegance to a console, desk, or coffee table. Dimensions: Height: 38 cm Width: 42 cm Depth: 53 cm Condition consistent with age and use, with slight signs of wear normal for
