Description

Dimensions: Approximately 31cm x 11cm x 8cm. Weight: 0.5kg. Alpine primitive art, a long box made from solid beech wood, iron studded , with a pull-tab lid. All exterior surfaces are hand painted of large floral motifs, typical of this Alpine folk art, from Italian Lakes region, Switzerland, or Austria. Probably a candle box, which would have protected candles from insects... No wormholes, no breaks. Good condition, original polychromy somewhat worn, a few minor touch-ups, protected by a wax patina. Wood has dried, the pull-tab lid is slightly loose.
