

## Gold Lyre Watch

3 800 EUR

Period : 19th century

Condition : Bon état

Material : Gold

### Description

Rare lyre-shaped watch in gold, enamel, and rhinestones, Genevan work circa 1830. The escapement is a verge escapement; the movement's beat is audible on the front in the central part of the watch. The dial shows some wear consistent with age, but the movement is in perfect working order. Weight: 32 grams.  
Dimensions: Height: 60 mm, Width: 30 mm,  
Thickness: 15 mm
