Description

Quick Description: Antique and striking sculpture, Virgin and Christ, circa 1880. Likely an unusual Spanish work, with Christ's head emerging from the scapular. The front of the scapular appears to have been repainted at some point in the past, perhaps a tradition I am unaware of. High-quality carving in oak. A few minor losses, but in excellent condition and presentation. Dimensions: 63cm high, 57cm wide, 17cm deep, weight 7.8kg. Price: EUR850.
