

## Pair Of Horn-shaped Porcelain Vases From The Southwest (valentine 31), Napoleon III Period

780 EUR

Period : 19th century

Condition : Très bon état

Height : 40 cms

### Description

A beautiful pair of Saint Gaudens-Valentine (31) porcelain horn-shaped vases from the Napoleon III period. Their large size and excellent condition make this pair rare decorative pieces. They are typical of the production of this factory with its characteristic kiln blue, which can be found interpreted differently in other factories.
