Description

A carved and polychrome wooden sculpture depicting the Virgin Mary holding the Infant Jesus, an 18th-century work. The Virgin, dressed in a cream-colored robe and a blue mantle embellished with gilding, has a gentle face with delicately modeled features. The Child, with blue eyes and curly hair, sits on her left arm in a natural and lifelike pose. Beautiful original polychromy is partially preserved. Wear, losses, and chips are visible, particularly on the mantle and base.
