Description

Set of 15 Antique Stereoscopic Glass Plates - Algeria circa 1900. Set of 15 stereoscopic glass plates (11 x 4.5 cm), published by Guilleminot, preserved in their original box. Locations depicted: Biskra, Touggourt and surrounding areas - Algeria, North Africa (early 20th century). Subjects visible: Civil engineering works, Bridge construction, Military personnel, Colonists and local inhabitants, Lively streets of Arab villages, Scenes of life in a colonial context. Positive glass plates, clear image, well-preserved contrast. Very good overall condition for plates over 100 years old. Note: a broken corner on one plate, and another photo very black. Nevertheless, I maintain it. Original Guilleminot box present and labeled. Geographic attribution according to an old handwritten note on the original box: "Biskra,
