Description

Description: Pair of antique earrings in natural coral and 14k gold, each featuring an oval cabochon atop an elongated pendant of red-orange coral. The contrast between the soft shapes and the intensity of the color lends the pieces a timeless elegance. Mounted on a retractable system, they can be worn short (with the cabochon alone) or long (with the pendant), offering two styles in one piece. They weigh 10.6 grams and are 6 centimeters long. The coral cabochon alone measures 12.5 millimeters in diameter. Vintage work from southern Italy.
