Description

A 1950s Jaeger-LeCoultre watch in 18k rose gold (750/00, owl hallmark). This is a ladies' model, equipped with a hand-wound mechanical movement. The dial's color complements the gold bezel, and the black Roman numerals stand out, making the watch perfectly legible despite its women's size. The watch is fitted with a very understated black calfskin leather strap, typical of the period. Its original plexiglass crystal is in good condition. The watch is duly signed and numbered. Its proper functioning is guaranteed by us for one year (except in case of shock or immersion). Year: 1950 Model: Ladies' Movement: Mechanical, hand-wound Dial: Original, gold-tone, with Roman numerals Case: 18K rose gold Strap: Newly replaced, black calfskin - total length of the watch with the strap:
