Condition : Très bon état

Description

Painted on an octagonal wooden panel, this is a lovely scene from the Bible. It depicts Judith beheading Holoferne. Beautiful detail and colors. Very good overall condition, apart from a few micro-scratches on the surface and wormholes in the wood. Clearly visible in my detailed photos, please look at them carefully, I'm not hiding anything. European working, probably French, dating from the second half of the 18th century, in the 17th-century style. Dimensions: 26cm x 20cm x 0.4cm
