Description

COD 11499 A refined 18th-century Italian painting. This artwork oil on canvas depicts a lively pastoral scene set in a soft, atmospheric landscape. In the foreground, a group of shepherds herd a flock of sheep, while a splendid castle can be glimpsed in the distance. The loose brushstrokes lend the composition a vibrant overall effect. The palette is dominated by warm, brown colors, with bright highlights on the animals' wool. The composition is balanced, and the language harks back to the Central Italian tradition of the first half of the 18th century. Beautifully decorated 20th-century wooden frame with some signs of age. The painting is perfect for a small private study or an elegant, classic or contemporary setting. The artwork has already been restored with re-lining,
