Description

Large Louis XIII Style Solid Oak Desk - 19th Century. This substantial Louis XIII style desk, crafted from solid oak, dates from the late 19th century. It rests on a base with turned legs joined by an X-shaped stretcher with a twisted bar, typical of the style. The front features six side drawers and a central drawer in the frieze, providing ample storage space. The top is covered in inset leather and includes two very practical side pull-out writing slides. The elegant and balanced proportions make it suitable for both an executive office and a more formal interior. Dimensions: Height: 79 cm Width: 170 cm Depth: 90 cm Total depth with slides open: 248 cm. Good overall condition, beautiful patina, signs of wear consistent with the period.
