Description

Large Round Table - In the spirit of Warren Platner for Knoll - Ø 140 cm An elegant round table with a sculptural design, directly inspired by Warren Platner's famous work for Knoll. A piece with a modernist and timeless style, ideal for a refined dining room or a contemporary reception area. Dimensions: Height: 78 cm Diameter: 140 cm A comfortable size to accommodate 8 guests. Description: Tabletop: round, light finish (lacquered look), encircled by a gold metal band. Base: central structure of vertical gold metal rods forming a flared conical base. Materials: gold metal and light-finish tabletop. Style: 1960s-1970s modernism. The wire base creates an airy, graphic effect while ensuring excellent stability. The contrast between the light tabletop and the gold base brings elegance and visual
