### Description

Room divider shelf - 1970s wall unit.  
Dimensions: 148 x 41 cm, H: 209 cm. An iconic modular storage system of the futuristic style of the 1970s. Style: The contrast between black wood and shiny metal is characteristic of mid-century modern furniture and the futuristic aesthetic of the 1970s. Vintage German Omnia wall unit, 1970. Condition: Shows normal signs of wear for its age, including scratches, scuffs, and dents in places, and some paint chipping and stains - see our photos.
