

Louis Philippe Style Architectural Decorative Element - Dated 1846 - 19th Century

380 EUR

Period : 19th century

Condition : Bon état

Material : Stucco

Length : 35

Height : 29

Depth : 8,5

Description

Rare architectural cartouche with sculpted decoration in a laurel wreath (braided rope motif) from an old French country house. Made of stucco with an exceptional antique mineral patina, its undulating silhouette and stone-like grain make it a distinctive piece, ideal as a small pediment above a door. Easy to mount on a wall with its weight of approximately 5 kg. In good condition with natural wear consistent with age.
