Description

A lovely set of 6 Louis XVI style dining chairs. Nice simple design with fluted legs, rectangular backs, carved rosettes and lovely new upholstery in linen/taupe colour. The lovely frames have their original pale blue and white paint with a lovely weathered patina. This combination of fluting and reeding shows the great craftsmanship and attention to detail, the carved rosettes at the corners of the chairs gives them an additional layer of sophistication and a bit of the grandeur of the Louis XVI era. The chairs are all marked underneath the seating by the chair maker back in time, dating to the late 19th century. All the chairs are ready to be used and in good condition. 91 cm high, 48 cm wide, 46 cm height seating.
