

Small Jug

1 200 EUR

Period : 19th century

Condition : Parfait état

Material : Sterling silver

Description

A small silver coffeepot from the Restoration period (1815-1825) on a footed base. The baluster-shaped body is monogrammed and supports a lid with a richly decorated rim ending in a pinecone finial. The zoomorphic spout, in the shape of a duck's head, is engraved with water leaves, and the ebony volute handle terminates in a rosette. Height: 15 cm Weight: 415 g
Hallmarked with the Veillard mark (1818-1838)
