Description

Murano Glass Bowl, Ca' Foscari, Vetrarte - 1970s Artistic polychrome blown glass bowl, Ca' Foscari, dating back to the 1970s, a period of particularly vibrant creativity in Venetian glassworks. The large, flowing shape, with a wavy edge and irregular profile, gives the piece a sculptural yet balanced character. The workmanship features a refined speckled decoration with inclusions in shades of amber, green, and brown, blended into a translucent base that enhances depth and the play of light. Each chromatic variation emerges naturally, making the piece interesting to observe from different angles. Excellent condition. Dimensions: diameter 45 cm, height 20 cm ref. 552/359
