Description

Oil on canvas - Port of Saint-Trojan - Île d'Oléron - EMJ Murat - 1984 Charming oil on canvas depicting the Port of Saint-Trojan (Île d'Oléron), signed lower right EMJ Murat, dated 1984.

Description of the work: This seascape depicts a peaceful port with oyster huts, small boats, and sailboats, under a cloudy sky rendered with beautiful atmospheric depth. The artist plays on: The contrasts between the turbulent sky and the calm reflections of the water; The luminous touches on the white facades and red roofs; A palette dominated by blues, grays, and ochres; The brushstrokes are lively and slightly textured, giving relief to the clouds and reflections. The atmosphere perfectly evokes the authentic maritime character of the Charente coast. Artist's label on the back reads: Élise-Marie-Joseph
