

## Early 19th Century Imari Potiches Vase

1 300 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Diameter : 35

Height : 63

### Description

Graceful potiches vase in polychrome Imari porcelain. The vase features painted decorations depicting pagodas, plant, floral, and geometric elements, lending it a great elegance. The object has also been transformed into a petroleum lamp and electrified. The top part, which serves as a support for the lamp, and the bottom part of the vase are gilded bronze. This is an object of great class and refinement, capable of furnishing any space with a touch of elegance. Japanese manufacture, early 20th century. Dimensions: H x DM 63 x 35cm
