Description

Regency Period Provençal Walnut Buffet - 18th Century. This Regency period Provençal buffet in solid walnut opens with two molded doors on the front. The panels are adorned in their center with a carved rosette decorated with a star, framed by floral motifs, a characteristic feature of 18th-century Provençal furniture. The uprights are rounded and rest on cabriole legs. The lower rail is shaped and embellished with carved decoration. Beautiful antique hardware. The top features antique parquet work forming a geometric pattern. The piece is in good condition with a beautiful antique patina. Regency period Provençal work, 18th century. Dimensions: Height: 78.5 cm Width: 120 cm Depth: 59 cm
