

Louis XV Style Desk, Provençal Style, In Walnut, 19th Century

320 EUR

Period : 19th century

Condition : Bon état

Material : Walnut

Description

Small Louis XV Style Walnut Table/Desk - 19th Century. Charming small Louis XV style walnut table or desk with a drawer in the front. The piece rests on four cabriole legs ending in small sabots. The apron is elegantly carved and undulating. The top has a shaped edge with a slight border. On either side of the central drawer are two compartments closed by sliding slat curtains, adding both practicality and decoration. This elegant piece can be used as a small desk, side table, or living room table. Beautiful antique patina. Louis XV style work from the 19th century. Dimensions: Height: 80 cm Width: 82 cm Depth: 43.5 cm
