### Description

This 18th-century Virgin Mary of Childbirth is made of Nevers faience. We note some enamel chips, particularly on the crown and on the back, as well as some enamel wear. However, it remains in generally acceptable condition for an 18th-century piece. Our photos allow you to appreciate the quality of the object. For a detailed description of its condition, please examine the photos carefully. Do not hesitate to zoom in. The photos are an integral part of the description.
