Description

This fully modular and demountable bookcase, made using the renowned Oscar system, offers great flexibility in layout. Crafted from light oak, it features a clean design that complements any interior. Set includes: 20 elements in total, including: Shelving: 28 shelves. Doors: 10 solid doors + 7 additional wooden doors. Glass: 10 glass panels + 2 additional glass panels. Overall condition: The unit is generally very clean. There are a few minor signs of wear (light marks), but the overall aesthetic appeal and structural integrity are excellent. Bonus: Its complete modularity allows you to create a large wall unit (as pictured) or several smaller, independent units to suit your needs.
