

## Three Pairs Of Green Wool Trimmed Curtain Tiebacks - Second Empire, Circa 1860

260 EUR

Period : 19th century

Condition : Bon état

Material : Linen

### Description

Circa 1860 or earlier, France. Five beautiful pairs of tiebacks for three pairs of curtains with green and yellow wool passementerie tassels dating from the Second Empire. Remarkable 19th-century French passementerie work, particularly in the tassel design. Long drawstrings. Some pulled threads and otherwise in good condition except for one pair with a broken wooden slider (which needs to be glued back on) and one pair without a slider (see last photo). Dimensions: Tassel fringe height 11 cm, total height of each tassel 21 cm, drawstring length approximately 60 cm.
