Height : 110,5 cm

Depth : 49,5 cm

Description

19th-century British colonial officer's chest of drawers, known as a naval chest, in solid mahogany. The piece consists of two sections with two large drawers in the lower part and four small drawers in the upper part, one of which serves as a writing desk with two small storage drawers. The drawer handles and corners are brass. The piece has been hand-finished and patinated in our workshop.
