Description

Saverio Xavier DELLA GATTA (act. 1777-1829) The Game of Morra, gouache, 20.2 x 15.7 cm, in its original early 19th-century frame. Framed dimensions: 29.5 x 23.5 cm. Morra is a game of chance in which players simultaneously show a certain number of fingers to each other, while each announces the presumed sum of the fingers held up by both players. The winner is the one who correctly predicts this sum.
