Antique Cut-crystal Decanter No. 9 - 19th Century

110 EUR

Period : 19th century

Condition : Bon état

Material : Crystal

Height : 26 avec bouchon

Description

Antique cut-crystal decanter dating from the second half of the 19th century. The body features a faceted panel cut, while the base is fully engraved with a radiant star. The neck displays three decorative collars, characteristic of the fine glassmaking of the period. The decanter comes with its original stopper, of an uncommon shape, also faceted to harmonize with the decoration of the body. Good overall condition, with a few small chips at the base (see last photo).
