Description

A pair of exquisitely elegant 18th-century mirrors. Crafted from carved wood and richly gilded with gold leaf, the frames feature delicate decorative motifs typical of the Louis XV/Louis XVI style. The antique gilding has acquired a beautiful, warm patina. The mirrors integrate harmoniously into both classic and contemporary décor. The parquet backing ensures stability and high-quality workmanship. The cabinetmaking and gilding are superb. Their dimensions are particularly original and decorative. Ideal as a pair to frame a fireplace, doorway, or overmantel mirror. A rare, refined, and characterful set.
