

Gilt Bronze Altar Set - 19th Century

240 EUR

Period : 19th century

Condition : Bon état

Height : 39

Description

An elegant gilt bronze altar set comprising a central crucifix and a pair of candlesticks. The crucifix features a trefoil cross within a radiating Gothic-inspired motif, adorned with a finely chiseled applied Christ. It rests on a molded circular base supported by three small, stylized paw feet. The candlesticks, with their slender baluster shape, rest on a matching molded circular base. Their understated and balanced decoration underscores the elegance of the set. This ensemble would be suitable for a chapel or small private chapel. Good condition.
Dimensions: 26 cm for the candlesticks and 39 cm for the altar cross. Reference 838b
