Description

Charming 1930s Art Deco desk tray in bronze on a Portoro marble base. Three (large!) sparrows on a Parisian bench (the ship's coat of arms of Paris is depicted on the bench's uprights) seem to be chirping, waiting for a kind soul to provide a few crumbs... The rounded base, hollowed in the center, is made of beautiful black Portoro marble veined with white and gold... In very good condition, with a tiny chip on the edge of the marble (2 mm), barely visible and without any aesthetic detracting (see photos). Height = 12.5 cm, Length = 17.6 cm, Depth = 15 cm. Weight = 1.850 kg. Shipping extra, to be determined based on destination.
