Wrought Iron Shelf

1 350 EUR

Period : 19th century

Condition : Bon état

Material : Wrought iron

Width : 105

Height : 184

Depth : 50

Description

An elegant wrought iron shelf decorated with scrolls, resting on four turned brass uprights. The sides feature openwork ironwork characteristic of the 19th century, with an ornamental pediment at the top. The three wire mesh shelves allow for practical use while maintaining the lightness of the design. This type of furniture was often used as a shop display or bakery shelf in 19th-century shops.
