Description

Art Deco ceramic pitcher in earthenware by Simone Larrieu. A very interesting piece by this renowned artist who developed a distinctive and characteristic Art Deco style. The work is typical of the artist, who had a fondness for birds. The artist's signature is on the base. The pitcher is in excellent condition overall, with a beautiful glaze that is free of scratches. A very attractive decorative and collectible piece. Shipping is available in France and worldwide via secure and insured package with order tracking. Invoice and certificate of authenticity are provided. Collection is possible from the Avallrich estate in Montescot (66200), France (tel. +33 6 11 14 25 33), or at my stand at the Montpellier trade fair every two months.
