Description

Fine & Elegant Pair 19th Century White Gesso Painted Chinoiserie Faux Bamboo Torcheres Pedestals. This delightful pair were created with the European fascination with art & design from the orient in the 19th Century. Carved to give the impression of being constructed from bamboo, they define an era of fashion & a rare surviving pair. Painted with gesso, they show traces of their original gilding underneath and now offer a fabulous & exceptionally stylish look. In good condition for their age.
