

Rare Louis XV Period Rosewood Snack Cabinet

1 650 EUR

Period : 18th century

Condition : Très bon état

Material : Wood marquetry

Description

A rare and delicate snack cabinet veneered in rosewood and inlaid with amaranth. It features canted corners and curved sides, opening with one drawer, a curtain, and two doors in the lower section. The legs are cabriole. The apron, sabots, and keyhole escutcheon are in chased and gilt bronze. The top is made of Aleppo breccia marble. Hallmarked JMEE. Louis XV period, 18th century.
