Condition : Très bon état

Description

A very bright painting on wood, measuring 25cm x 37cm plus frame 36cm x 49cm, depicting a legendary corner of Martigues, "Le Brescon." The "Venice of Provence" has inspired many painters. This painting is signed in the lower right corner: OLIVE. Henri OLIVE, known as OLIVE des Martigues, began as a hairdresser on Place Gérard-Tenque in Martigues (see photo), while also painting small views of the town. These were appreciated by local customers and tourists alike. His success led him to abandon hairdressing and dedicate himself to painting, transforming his salon into an art gallery. Today, his works are increasingly sought after. He painted extensively, and his work is somewhat uneven. The painting I am offering is truly excellent; it has been cleaned, and the colors are vibrant and shimmering. A
