

Ivory-colored Porcelain Horse

590 EUR

Period : 20th century

Condition : Bon état

Material : Porcelain

Description

A porcelain sculpture of a horse, lacquered in an ivory hue with a slightly darker mane and tail. The piece features meticulous rendering of the animal's anatomy. It rests on a base made of the same material. There are no apparent maker's marks, although it may have been produced by the Fundación de Gremios (founded in 1962). It is in good condition. Its design and size make it an ideal decorative piece. Dimensions: Height: 55 cm Length: 65 cm Depth: 15 cm
